ACKNOWLEDGEMENT

Developing the project of this magnitude has helped us a lot in understanding and implementing Web Technologies and software Environments

I would like to express our gratitude to our honorable Principal **Dr. V. N. Pawar Sir** to giving me the opportunity for the present my skill and knowledge. He was really inspirational and motivating during the entire project.

I would also like to express our gratitude to our Head of Department **Prof. Sachin M.Vaidya** to Share his ideas and guidance to making the Quality milestone of the project. He was really support and helping during the entire project.

I would also like to thank to my **Project Guide** for imparting immense knowledge about Web Technologies to us. They always have some new innovative ideas and have been very helpful, supporting, inspirational and encouraging.

I would also like to thank the other staff members of Department of MCA, for the help and assistance that they have given us during the period of the project

Thanks to all.

Miss. Karishma S. Karad
